JUDGE: Justice Markovic

DATE OF ORDER: 4 June 2026

WHERE MADE: Sydney

THE COURT ORDERS THAT:

1. Until further order and further to the notation at Order 9 of the Orders made by Justice Markovic on 13 May 2026, the plaintiffs are to obtain access to, but not inspect, documents produced at any time in the Examination Proceeding over which a claim for privilege has not been made by the producing party in response to orders for production to the following persons:
 - (a) Deloitte SRT Pty Ltd;
 - (b) Hamilton Locke Pty Ltd; and
 - (c) Nicholas Edwards,**(Additional Packets).**
2. The Additional Packets are to be treated consistently with the procedure set out in the Orders made by Justice Markovic on 13 May 2026 such that:
 - (a) within two days of obtaining access to the Additional Packets, the plaintiffs are to send an instruction to LawInOrder to create a sub-set of documents, by searching or otherwise applying filters to the documents contained in the

Additional Packets for documents created between 1 January 2020 and 1 July 2025 (inclusive) and which:

- (i) are sent to, received from or are otherwise cc'd to Nicholas Edwards; or
- (ii) contain any one or more of the words "safe harbour" or "588GA" or "588",

(the **Further Potentially Privileged Documents**),

(b) within two days of obtaining access to the Additional Packets, the plaintiffs are to instruct LawInOrder to:

- (i) place the Further Potentially Privileged Documents into a separate electronic location (for instance, "cold storage"), not to be accessible by the plaintiffs until further order;
- (ii) provide a list of Further Potentially Privileged Documents to the plaintiffs and to the Directors as soon as reasonably practicable; and
- (iii) make available, as soon as reasonably practicable, the Further Potentially Privileged Documents to the Directors by:
 - (A) delivering up a separate electronic bundle (including the image files, load files, and any metadata regarding the same) of the Further Potentially Privileged Documents through an electronic file sharing platform or by hard drive; or
 - (B) if requested by a Relevant Director, providing, at the relevant Director's cost, access to a separate Relativity workspace, not accessible to the plaintiffs.

3. Within seven days of receipt of the Further Potentially Privileged Documents, any Director who wishes to assert a claim to Exclusive Privilege (not being a claim in respect of joint or common interest privilege with any one or more of the defendants) to any one or more of the Further Potentially Privileged Documents must identify to the plaintiffs the types of document or documents in respect of which any claim to Exclusive Privilege is made, the basis for any claim to Exclusive Privilege, and their proposal as to how the privilege dispute should be resolved, and the time by which that should occur.
4. An order and direction, pursuant to s 90-15 of the IPS, that the plaintiffs are permitted to inspect and to utilise, and would be justified in inspecting and utilising, the Additional Packets, other than Further Potentially Privileged Documents. The Directors' agreement

to this direction shall not constitute a waiver by or on behalf of any of the Directors to any claim to privilege in respect of any of the documents so utilised or inspected.
